Security:

Security will be provided by the Mayborn Convention Center. The Mayborn Convention Center personnel and Centra-Mod Staff will not let anyone inside the entire convention center building until the following times:

Saturday, September 16th - No one will be allowed to enter the entire convention center until 8:00A.M. following the arrival of the show staff.

Sunday, September 17th - No one will be allowed to enter the entire convention center until 9:00 A.M. following the arrival of the show staff.

Please be sure to carry out any personal belongings you will need Friday and Saturday night. No one will be in the building and the alarm system will be on.

Loading/Unloading

When you arrive, please check in at the information desk (Front Lobby). Vehicles are not permitted on the Convention center floors. Loading and unloading can be carried out at the front and rear of the convention center. Please move your vehicle once you have loaded/unloaded so that others may do the same. CentraMod personnel will be available to help unload and load. Please let us know if you need assistance.
